CLASS POEM

MEMORIES

Let's leaf back through old mem'ries; it's surprising what we'll find.
Let's gather up our old dreams and not leave one behind.
Let's probe real deep into the past—renew a memory.
Let's look back on our school days and—oh no—it couldn't be—

Were we those silly Freshmen, so innocent and shy?
Were we the ones who blushed and grinned at Seniors passing by?
Were we the ones who vowed that we would try so hard to learn?
Were we the ones who made all those mistakes at every turn?
Was it we whom everyone could tell by just the way we gawked?
Was it we whom everyone could tell by just the way we talked?

And then a strange thing happened—we were women, we were men.
We were great big noted Sophomores who had lost that Freshman grin.
Were we the ones who tried to act as though we knew the score?
Were we the ones who always tried to act so very old?
Were we the ones who tried to be so dangerous and bold?

It wasn't long, however, 'till another year did pass,
And soon we were the polished members of the Junior class.
We laughed at underclassmen—could we have been that funny?
We wondered at the Seniors—always wantin' money.
We worked, and slaved and worried—always on the run.
We had our griefs and problems—but gee! We had such fun.

And now we're full-pledged Seniors: we've finished our four years.
We've lost, we've won, yet never quit; we've had our smiles and tears.
Remember not so long ago—we had our first romance;
We struggled through those tough exams; we went to our first dance;
We played in our first ball game; we planned the annual prom;
We took a stab at acting and tried so to be calm.

And now it's all a memory—graduation day is here.
Our hearts are filled with sadness, gladness, wonderment and fear.
But in this great big world of ours, we're goin to rise and shine.
Just watch us and we'll prove it—our class of '49.

JUNIORS

WARREN WALKER — BOB TROPP

In September the Juniors returned to old Berrien High full of vim, vigor, and vitality. Coach Nothstine was again chosen as sponsor.

Bob Tropp was elected as official gavel wielder for the first semester and Shirley Grose was elected vice-president. Financially-minded Warren Walker was entrusted with the funds and Barbara Brigham was selected to take down the minutes. Since Barbara Prillwitz usually was aware of the happenings, she was given the job of reporter.

The first activity of the class was a dance after a football game; a good crowd was in attendance.

The sale of magazines occupied any spare time the Juniors had. Two teams were chosen and the losers gave a roller skating party at Central Docks for the winners. A total of $350.00 was realized.

The next activity, the biggest event of the year, was the annual Hillbilly Jamboree. This year the Starlighters Orchestra played square and round dances after a stage show featuring home talent. The dance was a huge success and a grand time was had by all.

At the beginning of the second semester the class election was held and because of the fine job Warren Walker had done as treasurer, he was elected president. Bob Tropp was elected vice-president. Barbara Prillwitz was selected as treasurer and Barbara Brigham re-elected secretary. Dale Sunday became reporter.

The Junior play, "The Boarding House Reach," directed by Mr. Nothstine, was presented April 7 and 8.

The Prom was held at Grande Vista on May 6.

SOPHOMORES

D. STEINHILBER — D. WARSCO

The Sophomore class of 1949 started the year wisely by having Mr. Lawrence Wilson as class sponsor.

Sophomore president was Dale Warsco, his chief assistant, Don Steinhilber. Ruth Heimbuch acted as secretary, Russell Smith as treasurer and the following as reporters: Phil Lindt, Helen Wilson, and Maxine Stock.

The first event sponsored by the class was a roller skating party. Next was the Christmas dinner and program.

Many school activities such as football, basketball, and baseball had Sophomores participating in them. Ice Cream cups were sold to the students to raise funds and green and white beanies were sold at basketball games to boosters of the team. A party was given in honor of the Senior class featuring a box social and dancing.

The school picnic terminated an eventful year for the Sophomores of '49.

FRESHMEN

EUGENE ENDERS, AUDREY NEIDLINGER

The Freshman class sponsored a few roller skating parties which were held at Central Docks. The freshmen also sponsored a barn dance which was held in Mr. Robert Tropp's barn. Mr. Douglas Watson was class sponsor.

The second team cheerleaders were from the Ninth Grade; Beverly Brant, Carol Barefield, Ernestine Smith and Carol Streight were elected to cheer.

Three of the school's twirlers were members of our class. The majorettes were Audrey Neidlinger, Shirley Brant and Ernestine Smith.

A large percentage of the second team in both girls' and boys' basketball were Freshmen.

One of the projects the class sponsored was the selling of wings. The first set of wings had a green background with white letters "B S H" on them. The second set were white with the green letters "B S H."

The second hour English class and eighth hour English sponsored two plays—"Bessie, the Bandit's Beautiful Baby," presented March 8, and "The Stolen Submarine, or Who Done It," March 9. Both plays were directed and supervised by Mr. Watson, English instructor. The proceeds of the plays were presented to the Senior class.

The future of this year's eigth graders is bright. Their interests are many, their willingness to co-operate is above average.

These young people have organized their own cheer-leading club, chess club, and at one time promoted the publication of an eighth grade newspaper. This paper eventually became a sheet in the "Limelight" called the "Junior High What's Up." They had an up-and-coming Junior High Basketball squad that won seven of eight contests played, losing only to Fairplain on the home floor. This team will furnish some first-rate material in Dale Whetstone, Roy Prillwitz, Jack Thierback, Ronald Lucas, Robert Guettler, Charles Clark and others to the high school team next year.

The large majority of this group will do much to add to the good record of Berrien Springs High School in the next few years.

The 1949 Football season, according to Coach Nothstine, was not as successful as the number of returning letter men, mostly Seniors, would have indicated. Having lost only two good players, Dick Chamberlin and Bill Burdick, from the 1947 team, Berrien Springs Shamrocks with ten Seniors was expected to be a contender for the "Little Eight League" trophy.

The material on hand was experienced and of good size, but they could not seem to produce the points for a winning season—they lost five and won three for a .375 season average. The team lost three games by one touchdown.

There is great potential material in the Freshman Class. Last year sixteen Freshmen were out and showed some fine talent in the five games they played. Another year's experience for that group and the Shamrocks will be in the winning column again.

The 1949 season will be the second year for the Shamrocks in the "Little Eight Conference" and since they tied with Watervliet for third place in 1948, there should be a steady improvement in the next two years. The 1949 schedule is as follows:

September 16	St. Joe Ponies	H
September 30	Coloma	T
October 5	Bangor	H
October 14	Watervliet	T
October 21	Hartford	H
October 28	Decatur	T
November 4	New Buffalo	T

TRACK

The 1949 track squad under the able leadership of L. W. Wilson has a nucleus of 13 returning lettermen. They include King and Steinhilber in the 220; Sunday, Caulpetzer and Murphy in the low hurdles; Reinebold and Brohman in the 440; Warsco in the 880; Wilson, Fay, and Rowe in the mile; Smith and Weber in the high jump and broad jump; and Dilley in the pole vault.

Seated: C. Compoe, T. Rowe, R. Locke, C. Reinebold, K. Fay, G. Smith, D. Steinhilber

3rd Row: D. Warsco, R. Jeschke, C. Lindt

These boys along with several promising first year recruits should prove to be a capable squad to cope with the tough schedule being planned by Coach Wilson.

BASEBALL

Baseball for the 1949 Shamrocks will be played under lights at Berrien Springs and with a nucleus of good material back from the 1948 squad the Shamrocks should live up to their past performances or even do better.

The team of 1948 was second in the "C" conference losing only one game—that game to the league winners, New Troy, by a score of 3-2.

Seated D. Wregglesworth, J. Reitz, C. Reinebold, R. Locke, B. Henderson, D. Ewalt, A. Cable

4th Row: G. Steinhilber, H. Heimbuch, B. Robinson, G. Smith, C. Lindt, J. Sweder, D. Crawford

Although the team has not been tried in a regular game as the **Canoe** goes to print, a full schedule is arranged with each of the "C" conference members and some non-conference games with Niles. Regulars back from 1948's squad are the following: Ralph Locke, Don King, Chuck Reinebold, Dale Sunday, Allen Cable, Don Steinhilber, Dale Warsco, Russell Smith, Graham Kolberg, Dick Ewalt, Bob Henderson, and Junior Reitz.

The team lost its pitching staff of Huss and Spaulding, but have some good prospects. Coach Nothstine says the squad should improve as the season advances and give Berrien Springs fans some good games.

BASKETBALL

Jr. High

The Berrien Springs Junior High Basketball team, coached by Lloyd Nothstine, consisting of seventh and eighth grade boys was one of the outstanding highlights of the winter season at Berrien Springs. Including tournament play the Junior team had a season's record of 12 wins and 2 defeats. Both defeats were by Fairplain.

The Junior Hi Tournament at Berrien Springs was top of the Junior Hi session. Eight teams competed and the Shamrocks were edged out of first place by Fairplain, 18-21.

Boys that the Berrien Springs basketball fans should watch in the next three or four years include Dale Whetstone, Ron Lucas, Glenn Briggs, Charles Clark, Jack Thierbach, and Roy Prillwitz. Roy made the first all-tournament team in the Junior High Tournament.

The tournament was considered a success by all fans and also by the competing schools—New Troy, Three Oaks, New Buffalo, Galien, Baroda, Stevensville, Fairplain, and Berrien Springs. It is hoped that Berrien will be able to promote another Junior Hi Tournament in 1950.

Reserves

The Berrien Springs High School Reserve team racked up a 9 won and 5 lost season in scheduled play. The 5 losses were to Stevensville, Bridgman, Buchanan, and New Buffalo.

Five of the high scorers included Don Steinhilber with 132 points; Duane Wregglesworth, 106; Chuck Lindt, 68, Dean Quick, 60; and George Smith, 30. All of the members of the Reserve team will be returning for their bid for the Varsity honors next season.

Coach Wilson, who put the Reserve team through their hard schedule, will be with the Varsity next season.

BASKETBALL

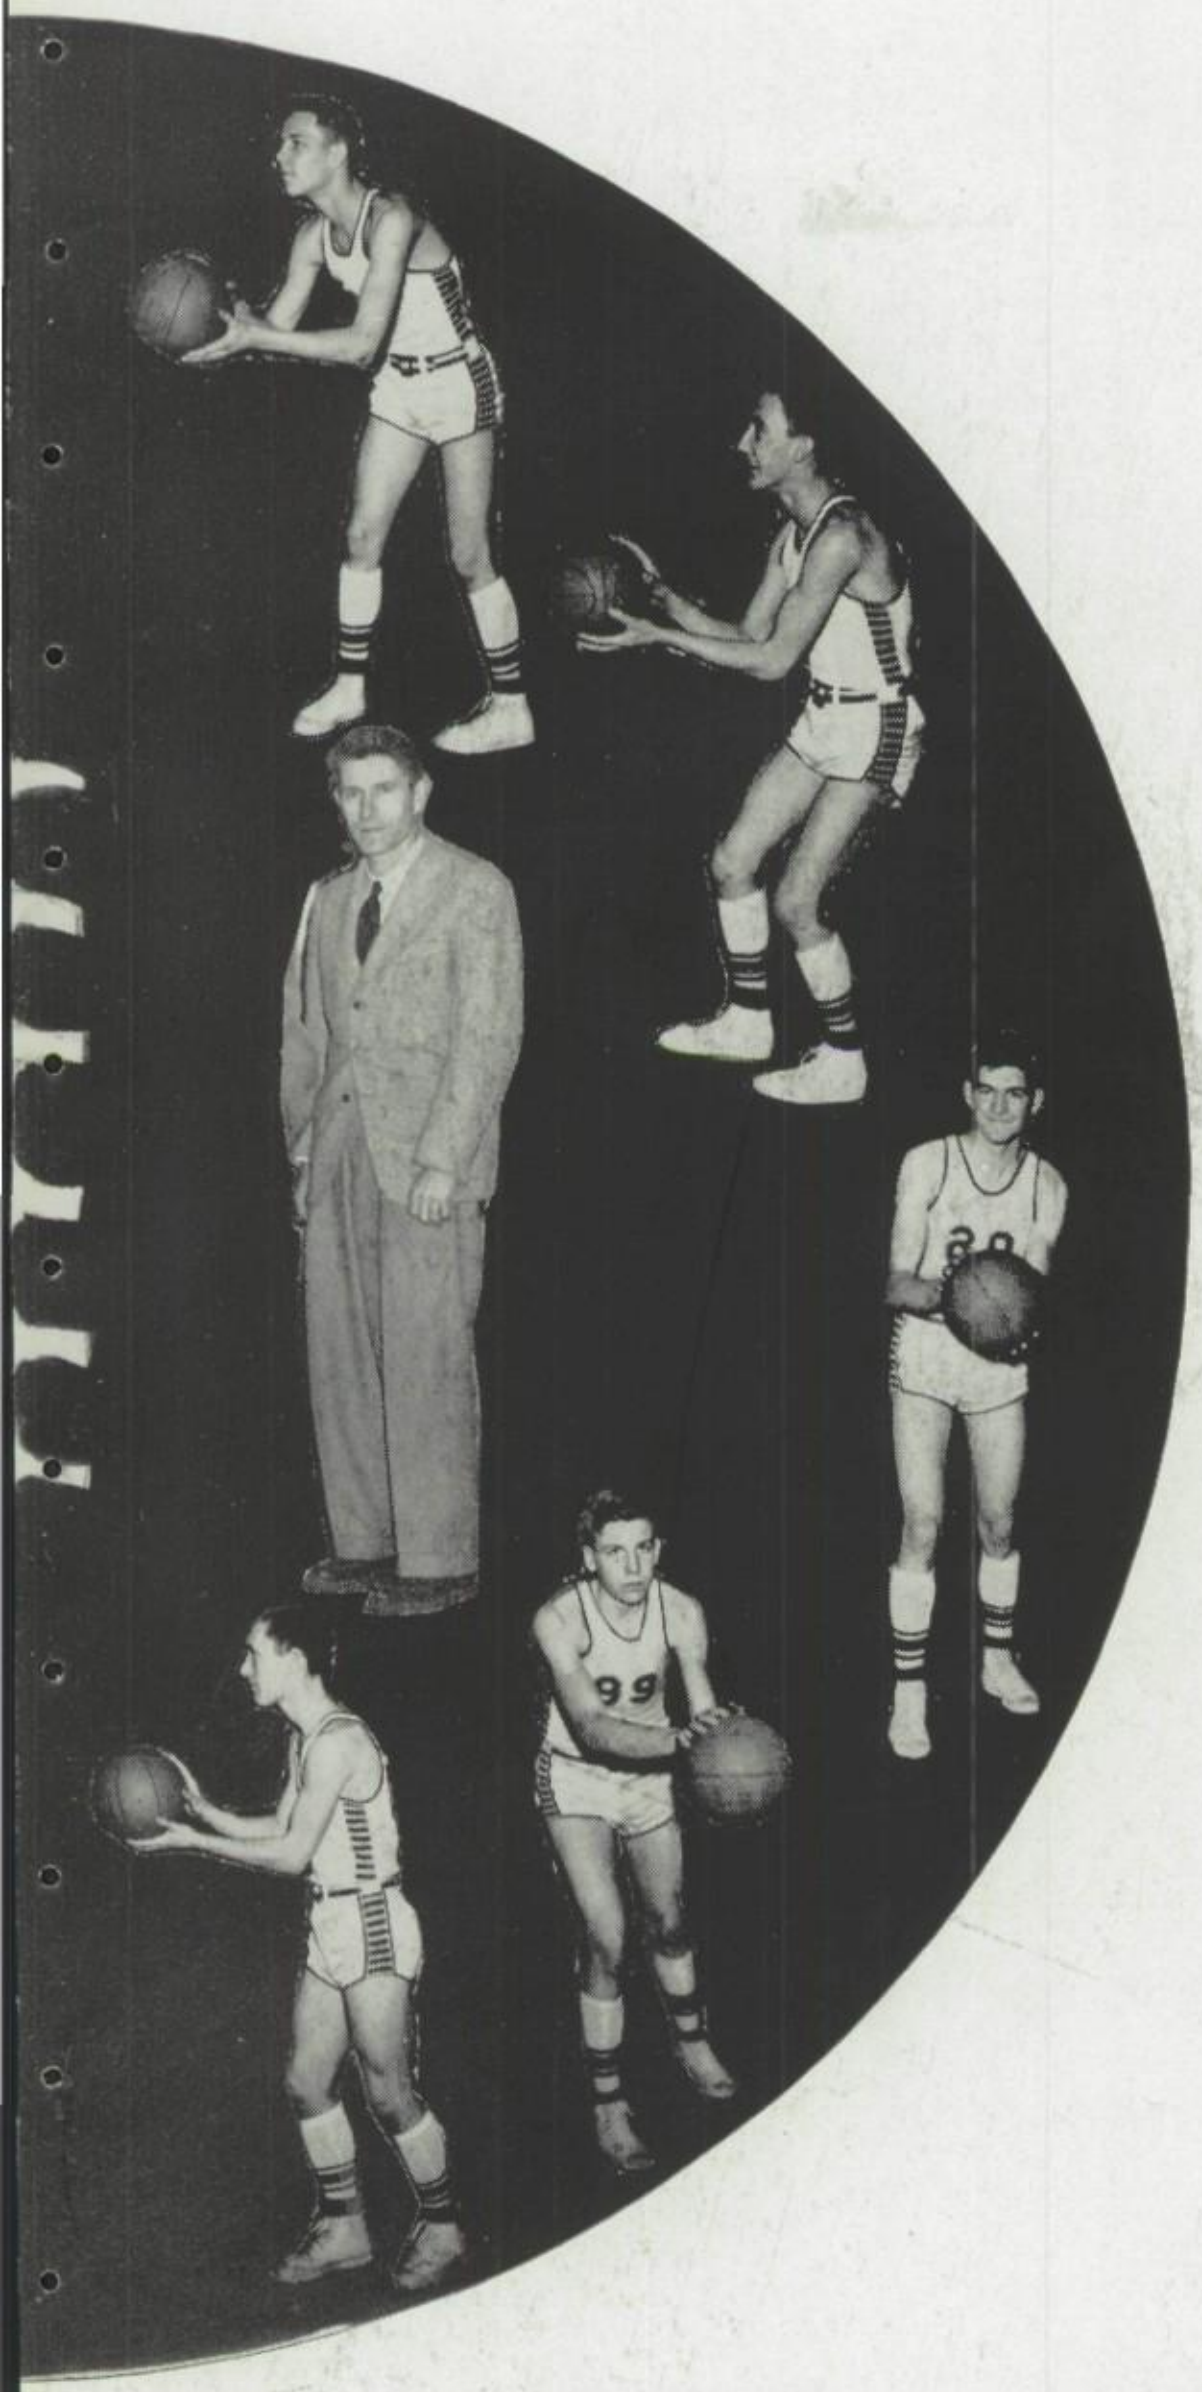
The Berrien Springs Shamrocks ended their 1948-49 season losing to a fighting New Troy team in the District Finals at Niles 46-39. The season was one of ups and downs with the Varsity displaying alternately good and bad basketball.

For the first time in Berrien County Basketball the Shamrocks took the Holiday Tournament, December 28, 29 and 30, bringing home the championship trophy.

Another highlight of the season was the Bridgman game on January 7; the Chiefs really scalped their rivals from Bridgman to the tune of 56-33. Liberal use of reserves kept the final score from becoming greater.

Seven Seniors concluded their Varsity careers this year — Weber, Dilley, Caulpetzer, King, Locke, Wilson and Reinebold.

VARSITY



Reinebold was the only starter from the previous season and his work was invaluable during the year. The others all contributed greatly to the success of this campaign. Bob weber was the leading scorer of the squad with 248 in 21 games. He was followed by Dilley (160), King (121), Enders (100), Reinebold (71), Sunday (67).

During the course of the season the Shamrocks scored a total of 837 points as againsts their opponents 732.

Though Berrien is losing seven men from the Varsity Squad, the prospects for next year appear bright. A good reserve squad will furnish varsity material to supplement such men as Enders, Wregglesworth, Smith, Sunday, and Steinhilber. High hopes are held for next season by Coach Emerich.

GIRLS

SOFTBALL

The girls of Berrien High have shown much interest in softball. They practiced hard last spring to "work up" a good team. Many girls vied for positions on the team; the squad consisted of the following girls:

Pitchers	Barbara Prillwitz, Sal Enders
Catchers	Sal Enders, Shirley Streight, Mary Koebel
1st Base	Alice Zech, Shirley Grose
2nd Base	Gerry Newman
3rd Base	Mary Koebel, Marietta Cable
Short Stop	Shirley Grose, Alice Zech
Left Field	Bev Hickerson, Ellen Brohman
Center Field	Mercedes Weaver, Bonnie Miller
Right Field	M. Cable, D. Vorrath

The girls played only one game because many schools do not have a girls' softball team. The score was New Buffalo 13—Berrien 9.

VOLLEYBALL

The girls' volley ball teams were organized early in the Fall. At first the game seemed dull to some of the girls, but after practicing all of September and October, their enthusiam was awakened and a schedule for tournament games between third-hour gym class and eigth-hour gym ensued.

Mary Koebel was chosen as eighth hour Captain and Clara Radde acted as Captain for the third hour team. The teams were named "Livewires" and "Stinkers" respectively.

The schedule and scores were as follows:

	Stinkers	Livewires
November 9	15*	11
November 11	6	21*
November 11	11	21*

Top Row: S. Streight, L. Schmall, N. Poyser, S. Brant, M. Stovall, C. Streight, L. Hardy

BASKETBALL

The Shamrockettes proved to be an unusually fine girls' team this year. All of the starting six, except one, were veterans. Audrey Neidlinger, a Freshman playing guard, made the starting line-up and proved to be a very handy girl for getting rebounds and snatching the ball. Another Freshman, Nancy Poyser, played on the first team as a reserve forward.

Of the beginning six Barbara Prillwitz, Eleanor Weine, Shirley Streight played as forwards; and Shirley Grose, Mercedes Weaver, and Audrey Neidlinger were guards. Barbara Prillwitz, an unusual player because of her antics on the floor and her keen sight, sunk 87 points averaging nearly 11 points a game. Shirley Streight was second totaling 52 points to her credit and Eleanor Weine followed with 31.

The team won six of its eight games, losing two games by a narrow margin to New Buffalo.

Seated: Mercedes Weaver, Shirley Grose, Audrey Neidlinger Captain Shirley Streight, Barbara Prillwitz, Co-captain Eleanor Weine, Coach Skinner

Standing: Manager Rosemary Reitz, Mickey Stock, Mary Koebel, Marian Stovall, Janis Zerby, Gloria Bell, Marilou Richards, Nancy Poyser, Doris Prillwitz, Jerry Ely

There were no serious casualties except for Shirley Streight's sprained ankle, and Marian Stovall's loose tooth. Other minor injuries such as finger nail scratches and floor burns were suffered by all and were, of course, inevitable.

Rosemary Reitz was the girls' manager and did a good job of tagging after the team and serving gum before games.

The girls bought green and white satin jackets and were surprised to receive them before the season closed.

The last scheduled game was with Benton Harbor High School March 15. Benton Harbor bowed out with 18 points to the Shamrockettes 22.

The team regrets to lose its five Senior members: Mary Koebel, Marian Stovall and Jerry Ely who played guard; and Eleanor Weine and Doris Prillwitz, forwards.

The season was terminated officially by a banquet at Miss Skinner's home for all first team squad members.

STUDENT COUNCIL

Seated: C. Compoe, D. Steinhilber, M. Koebel, M. Fisher, L. Butterfield
Standing: B. Guettler, D. Crawford, D. Newstrom, J. Enders, M. Stovall

The Student Council of Berrien Springs High School met for the first time in September 1948 for the purpose of electing the following officers:

President — Dell Newstrom

Vice-President — Don Steinhilber

Secretary — Margaret Fisher

Treasurer — Jack Enders

Faculty Advisor — Mr. Watson

At the end of the first semester, Dell Newstrom and Jack Enders resigned. Mary Koebel became president and Clarence Compoe treasurer.

Our first job was drawing up a constitution so that we could outline the activities of the council. We did this work with the old Berrien Springs Constitution and by using the constitution from other schools as samples.

It was decided that we needed two committees, one the noon hour committee, and the other, the assembly committee. The noon hour committee, with Mr. Noggle as faculty advisor and Marion Stovall as chairman, planned the noon hour activities. The assembly committee had Mr. Chance as faculty advisor and Margaret Fisher as chairman. This committee planned all student council assemblies.

Later two deputies were elected for each semester from all the grades in the high school building.

The council, as a group, made three trips this year, one to a county meeting at Dowagiac, one to a state meeting at Ann Arbor, and the third to South Haven.

BAND

The band has welcomed many newcomers this year, who have filled out its instrumentation and made a more balanced organization. For the first time since it has been organized, the band has drawn its membership from the high school building only; and the grade school has formed an instrumental group by itself.

The high school group was awarded the challenge trophy of the Youth Fair designating it as the outstanding "stunt band" of Berrien County. Typical of this year's progress is a new music room, with needed facilities for instrument and music storage and additional equipment which will help Berrien High to build a fine organization.

The band contributed its services throughout the year at parades, pep meetings, assemblies, football and basketball games. Concerts were held for students and adults of this community.

TWIRLERS

The baton twirlers progressed a great deal this past winter. There were five twirlers—Audrey Neidlinger, Shirley Brant, Janis Zerby, Donna Shriver, and Ernestine Smith.

These girls attended twirling contests at LaPaz, Indiana; Syracuse, Indiana; New Carlisle, Indiana; New Troy, Michigan; Bangor, Michigan; and Three Oaks, Michigan. At least two of them placed at each contest.

The twirlers performed at football games, basketball games and Hallowe'en and Memorial Day parades.

GLEE CLUB

U S H E R S

This year the Berrien Springs High School Glee Club had the largest membership since the first music department was organized. It consisted of seventy-five boys and girls directed by Mr. Burton Aldrich.

Green robes were purchased for the glee club to be used for all glee club performances.

A concert, combined with the high school band, was presented in early spring. The glee club also made its annual trip to St. Joseph to take part in the Berrien County Vocal Festival, directed by Dr. Elwyn Carter of Kalamazoo.

The accompanists for the club were two Seniors—Jerry Ely and Elaine Erlandson.

This is the first year that the Berrien Springs High School has had an Ushers Club.

Volunteers were sought at the beginning of the basketball season and about twenty-five boys and girls responded.

The club's most important function was to usher at basketball games and assembly programs. The volunteer ushers greatly reduced the confusion at the games under the general directions of Mr. A. H. Lange.

THE FUTURE FARMERS OF AMERICA

The Berrien Springs Chapter of the Future Farmers of America, under the supervision of Mr. A. H. Lange, had a very successful year as an agriculture class. There were about forty members enrolled in the F.F.A.

The members of this organization had various projects to carry throughout the school year. The Chapter helped the boys get started in swine by giving them pure-bred registered Hampshire hogs. They were also given bees on a percentage basis. The F.F.A. had scrap drives and garden seed sales to raise money so the members could take trips to different parts of the country to see their type of farming.

The Barn Dance, May Pole Dance, F.F.A. Game Supper, the Parent and Son Banquet and Basketball games with other chapters were part of the recreation during the year. Two delegates were sent to the State Convention of the Future Farmers of America. Several boys were also sent to the F.F.A. Leadership Training Camp at Madron Lake.

This year officers were as follows: President, Earl Brohman; Vice-President, Bob Hildebrand; Secretary, Dick Ewalt; Treasurer, Graham Kolberg; Reporter, Franklin Klutts.

FUTURE HOMEMAKERS OF AMERICA

The Berrien Springs Chapter of the Future Homemakers of America, under the supervision of Miss Mary Graham, has completed a successful year with a membership of fifty girls.

The chapter engaged in many projects this year. A delegation attended the leadership training camp for officers last June with two of our members, Barbara Knuth and Marion Stovall, present. The regional meeting, held at Kalamazoo last November, was attended by eighteen members, including the chapter mother, Mrs. Henry Steltner, and the adviser, Miss Graham. A state convention, at Michigan State College last March, was attended by our officers. Other activities performed by the local club included the monthly business and recreational meetings, the annual initiation banquet, and the annual April dance.

Twelve members attained the Junior Homemaker's Degree last year. Seven of these girls returned as members this year and are working for their Junior Degrees and will complete their Chapter Homemaker's Degree. Twenty-four new members are working for their Junior Degrees and will complete their work this term.

The officers elected during the year were as follows: President, Barbara Knuth, (first semester) and Arletta Brunke (second semester); Vice-president, Darlene Stuckey; Secretary, Ruth Steltner; Treasurer, Marlene Stemm; Reporter, Clara Belle Radde; Chapter Mother, Mrs. Henry Steltner; Chapter Adviser, Miss Graham.

CHEERLEADERS

Shirley Streight, Jerry Ely, Sheila Gerard, Barbara Brigham, and Eleanor Weine

In September of this past school year anyone was eligible for cheerleading. Because the gymnasium was under construction, the election was held at the football field.

The Cheerleaders selected included two Seniors—Jerry Ely, and Eleanor Weine; three Juniors—Barbara Brigham, Shirley Streight, and Wanda Skinner; one Freshman—Sheila Gerard.

This year the Chreeleaders organized a Cheerleaders' Club. The Club sponsored a basketball game in March. The game featured the Faculty vs. the Lions Club. The proceeds were spent for new uniforms for the Cheerleaders of next year.

The girls had new uniforms for football this year. They were green slacks and white sweaters. The basketball uniforms were short white corduroy dresses trimmed in green with a large green shamrock on the full skirt.

Wanda Skinner, who was afflicted with appendicitis was not able to cheerlead this year with the group.

Standing: B. Hickerson, R. Locke, J. Reitz, M. Watkins, M. Stovall, C. Reinebold, S. Steinhilber, J. Wuggazer, V. Christy, P. Lytle.
Seated: M. Koebel, R. Reitz, M. Bennett, J. Cagle.

The Journalism class was taught again this year by Douglas Watson, principal and former newspaper man of the "Grand Rapids Herald."

The class was composed of twelve members, seven seniors and five juniors. It made a hard-working group.

A schedule was set up by the class and was followed thoughout the year.

The "Limelight" staff published a four or six page edition each week with eight page editions on special occasions.

The class this year visited the local paper, the "Journal Era", and also the "South Bend Tribune." In this manner the class compared the work of a weekly and a daily paper.

The "Limelight" was a weekly paper which was published every Friday. The paper was presented free to all Student Association members.

Every member of the class liked his work in the Journalism class, and enjoyed making a contribution to this school activity.

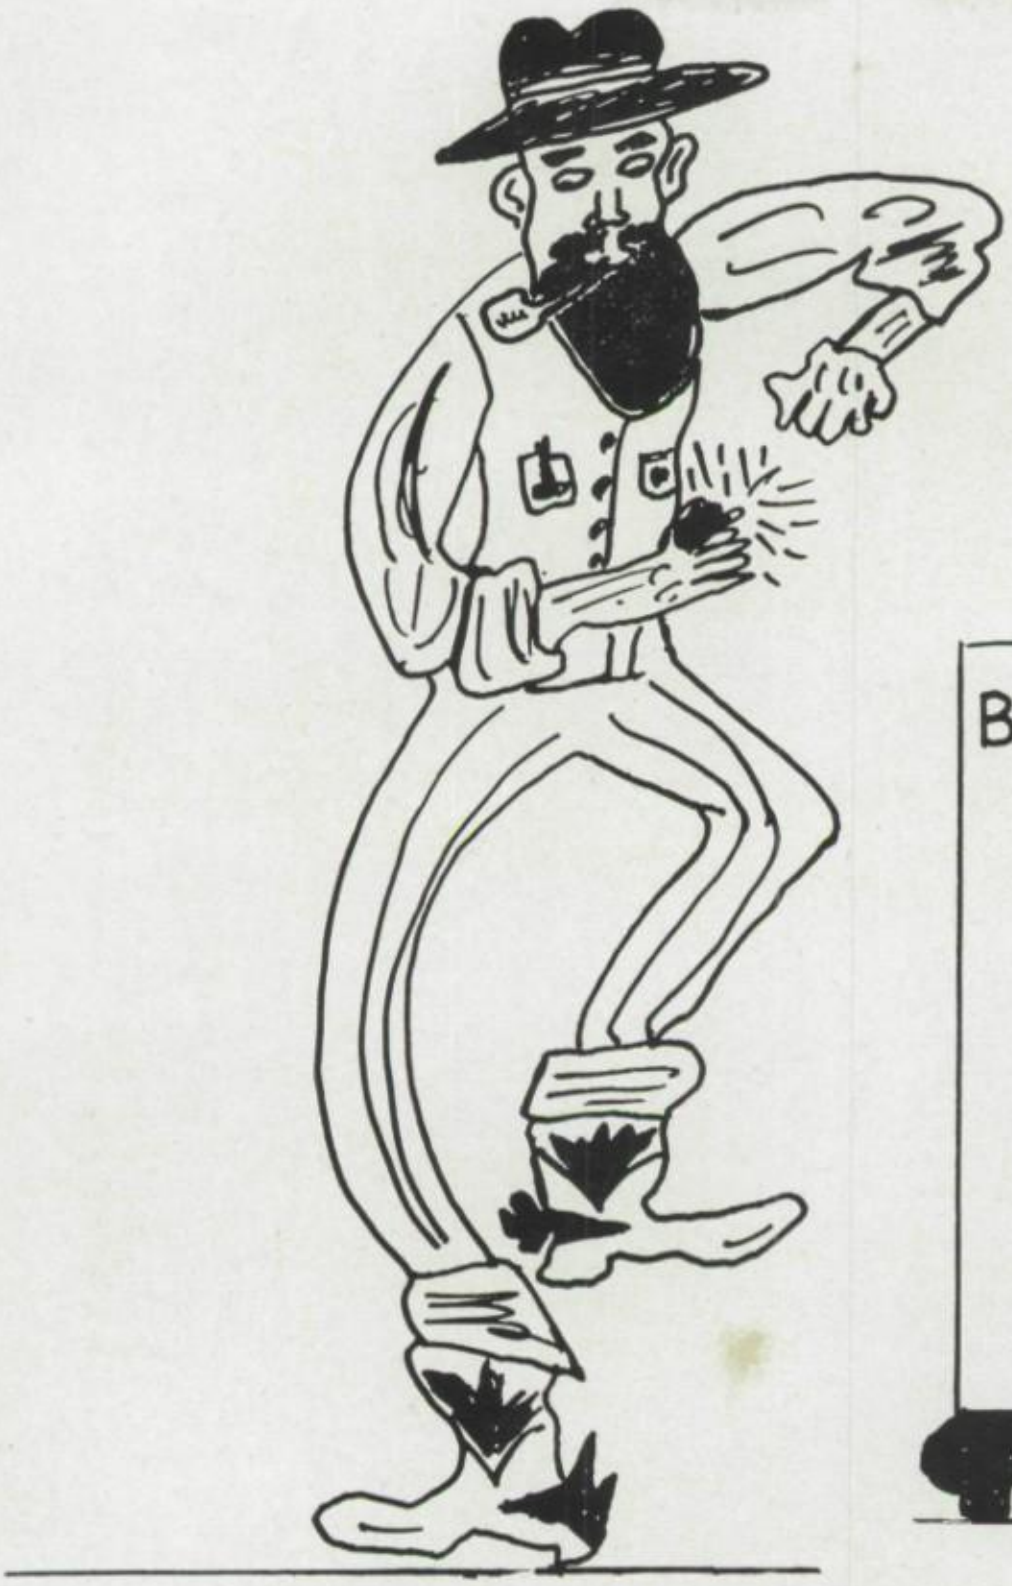
Salvete! The Latin group or Classics has no organized club but because of mutual interests and the compatibility among the two classes, many activities transpired throughout the school year.

The group went caroling at Christmas, singing songs both in Latin and English.

The motion picture, "The Last Days of Pompeii," was presented by the Latin groups to an all-student assembly in January.

Each April the Classics sponsor a Roman Banquet for themselves and for the former Latin students. The menu includes favorite Roman dishes. Students and guests lie on mats at the table and slaves bring food at the clap of a hand. Last year after the banquet, an interesting parody on the story of Pyramus and Thisbe was presented with Chuck Reinebold as the gallant and undaunted Pyramus and Jack Adams filling in as a rather emaciated, distraught lover, Thisbe.

This year the classes adopted Roman names or names of gods.



To publish a first-rate annual such as the Canoe this year and to charter a bus for a four day trip to Kentucky takes a good deal of money.

We, Seniors, realize that many people marvel, if not gasp, at the facile way in which we earn money for such extravagant luxuries. Many have inquired and struggled to no avail to learn the secret of our success. The secret to success is "hard work." The following list of activities account for the sweat on our brows, the muscles in our arms, and (excuse the expression) the brains in our heads.

September	Ice Cream
September	Football Dance
October	Greeting Cards
November	"You Can't Take It With You"
November	Dance
November	Basketball Pencils
December	Holly Hop
February	Sock Dance
March	Freshman Donation
March	Musical Carnival
